SFS awards over \$500,000 in need-based aid each year. We will work closely with your home school to help you fund your SFS program. All students are eligible to apply for SFS financial aid, regardless of whether you receive aid on your home campus. All students who exhibit financial need for their SFS program will receive some form of financial aid from SFS. Please visit our website ([www.fieldstudies.org/admissions/aid](http://www.fieldstudies.org/admissions/aid)) for a complete description of SFS scholarships, grants, and loans. When you submit this aid application, you will be considered for all types of SFS aid.

### THINGS TO KNOW BEFORE APPLYING:

- All SFS financial aid (scholarships, grants, and loan options) is need-based. SFS does not offer any merit-based scholarships. SFS will use the information provided on this application to determine your level of financial need and will offer aid based on that assessment.
- In order to complete the following application, you must have a FAFSA on file with your home institution. Please contact SFS Admissions for further instructions if you are an international student or are not currently enrolled in a college/university.
- Be sure to ask your study abroad office or financial aid office what financial aid resources might be available at your home institution to support study abroad. It is your responsibility to understand the requirements, deadlines, and additional offerings of your home institution regarding financial aid for study abroad.
- Aid applications will not be reviewed until students are accepted to a program and the non-refundable Program Commitment Deposit has been paid.

### APPLICATION REVIEW SCHEDULE:

Applications for SFS need-based financial aid are reviewed in batches twice per month, beginning on the dates listed below (check which applies to your session). Early submissions are encouraged as aid is subject to the availability of funds.
