■ FINANCES IN THE FIELD

LOCAL CURRENCY: Peruvian Sol (PEN)

PREFERRED MEDIUM OF EXCHANGE: Cash is the most commonly accepted method of exchange. For your regular spending money, you should expect to use cash that is in good condition. However, almost all the restaurants and grocery stores in Cusco and Iquitos accept credit or debit cards, and you will be able to use a card during break times in these more touristy areas.

UPON ARRIVAL: You should bring at least \$300 USD worth of cash or available funds with you to start. You can exchange cash at the airport in Lima during your layover, access ATMs in the airport to withdraw cash, or order Peruvian money from your bank prior to travelling. You should not exclusively rely on ATM access for your start-up money, in the event that your card or the ATMs are not working. Exchange rates are extremely poor outside of major centers, so try to plan to do most of your cash exchanges before leaving the airport in Lima.

When ordering and exchanging cash, ask for smaller bills (S/.10, 20, 50) in soles, if possible, as it can be difficult to pay with large bills (S/.100 and up) at small, local shops and markets.

ATM ACCESS: You will have access to ATMs periodically during the semester during travels to more urban locations such as Iquitos and Cusco.

PROGRAM-SPECIFIC TIPS/REMINDERS: Cost of goods and services in Peru is generally less expensive than in most U.S. cities. Meals outside of the SFS Center range from \$5–\$15 per meal. A taxi to Iquitos costs around \$40–50 for a taxi that fits 3. Housing during breaktime ranges from \$20–40 per person per night. If you plan to visit Machu Picchu during mid-semester break, consider that the cost to visit is typically around \$200 between the train and entrance fee.

CREDIT CARD REQUIRED: All students are required to bring a credit card with a limit of at least \$3,000 in case of emergencies. MasterCard and Visa are the most commonly accepted cards internationally.

TALK TO YOUR BANK:

- Be sure to notify your bank(s) and credit card companies that you will be travelling internationally. Be specific and include all locations where you will travel, including layovers!
- Ask your bank about whether or not they will charge you international fees when using your debit/credit card. If they do, you might consider using a bank that does not, if you plan to use your card often throughout the program.

SAFE: We have a small safe on-site, only accessible by SFS staff, where student valuables (passports, cash) can be secured.

TRAVEL SPENDING TIPS:

- Given the unreliability of ATMs, it is recommended to use a credit or debit card for higher-priced items (such as souvenirs) whenever possible so that your cash lasts longer.
- Plan to carry a mix of denominations, smaller denominations are often most widely accepted.
- Travel with cash in excellent condition, meaning clean, unwrinkled, unmarked, and with no tears.
- Since you will not have consistent access to an ATM, it is recommended to withdraw larger sums at a time so that you can have a supply on hand for a few weeks at a time.

■ FINANCIAL AID AND EXTERNAL SCHOLARSHIPS

SFS awards more than \$650,000 in need-based financial aid each year, in the form of scholarships, grants, and zero- and low-interest loans. All students are welcome to apply for SFS financial aid, and students who submit an SFS Financial Aid Application will be considered for our full range of aid options.

Financial aid applications are reviewed on a rolling basis after a student has been accepted to an SFS program. Early submissions are encouraged.

External scholarships, such as the Benjamin A. Gilman International Scholarship and the Fund for Education Abroad, are awarded independently of SFS aid packages and can be a good way to help fund your study abroad experience.
