**PANAMA**
The Center

Academic Foci

- The center sits alongside the Cerro Dorotea peak and Señoret Channel as the gateway to Torres del Paine National Park.
- Located in the ring of fire, Patagonia’s stunning, snow-covered volcanic range presents an unmatched opportunity to study complex geological and seismic processes.
- The fragile ecosystem is especially vulnerable to impacts of climate change – unpredictable storms, glacial melt, shifting temperatures, fires, and droughts.
- This rugged landscape is home to penguins, foxes, sea lions, guanaco, and much more!

Each program combines theory learned in the classroom alongside field-based applications. Time in the classroom is structured to give students a solid understanding of environmental history, theory, and conservation techniques before deploying their knowledge or specific techniques in the field.

Setting and Facilities

A former hostel in the tourist town of Puerto Natales.

</tr>
</tbody>
</table>

Housing:

- Eight rooms, 3-6 people per room in twin bunk beds. Shared closet, desks, and storage spaces.
- En-suite bathroom with shower (hot water) and western-style toilet.

Other Facilities:

- Common room with TV, games, and basic kitchen supplies.
- Classroom, kitchen, dining area, living room, staff offices, some staff housing, and two small outdoor areas.
- Two washing machines (detergent provided). Two dryers.
**Food**

SFS can accommodate most dietary needs, but the variety of food may be limited due to local availability and cost. SFS cannot accommodate strict Halal or Kosher diets. Due to limited dietary variety, SFS always recommends bringing vitamins, protein bars, nuts, favorite snacks, etc.

Meals may consist of rice, pasta, soup, salad, beans, vegetables, and a protein option (meat and non-meat). Off-center meals are meat-heavy with few vegetables. Snacks may include toast with jam or other spreads.

**Exercise**

The center has basic weights, yoga mats, a soccer ball, and a volleyball. There is a soccer field and running/bike track in town and a paid gym with swimming lanes.

**Climate**

Fall runs from March through May. Temperatures in Puerto Natales range from 26-64°F.

Winter runs from June through August. Temperatures in Puerto Natales range from 24-48°F.

Spring runs from September to November. Temperatures in Puerto Natales range from 30-60°F.

Summer runs from December to February. Temperatures in Puerto Natales range from 39-66°F.

**Money**

The local currency is the Chilean Peso (CLP).

Both cash and debit/credit cards are widely accepted. All students are required to bring a credit/debit card with at least $3,000 in funds in case of emergencies. Mastercard and Visa are the most commonly accepted cards internationally. Notify banks about international travel.

Students should bring at least $300 USD with them to start. Students can order CLP from their banks, exchange USD, or withdraw local currency directly from ATMs. When bringing USD to exchange, travel with bills in excellent condition (clean, unwrinkled, unmarked, with no tears). Students will have access to ATMs to replenish their cash supply in Puerto Natales.
**Electricity**

The electrical voltage in Chile is 220 (the U.S. uses 120). Check all electrical devices to see if a voltage converter is needed. Chile uses plug type C and L (the U.S. uses A and B). All students will need plug adaptors.

**Internet**

Wireless internet is available at the center, but it is slow and intermittent. SFS reserves the right to limit internet activities occurring on our servers including, but not limited to, streaming or downloading audio/video content (Facetime, Netflix, etc.). During most expeditions, internet will not be available.

**Computers**

Students need to bring laptops with Microsoft Office (or the ability to open Microsoft files offline) and a USB port. Electronic devices are subjected to a much harsher environment than normal. In particular, Apple products do not fare well in high humidity and are more difficult to repair or replace locally. Please take precautions to protect devices.

**Phones**

Students are provided local phones to communicate with staff and peers. If the phone is lost or damaged, students must pay a fee of $30. Students with unlocked phones can also purchase a local sim card and phone plan for approximately ~$10 USD per month.

**Mail**

No packages can be sent to the center. The average one-way travel time for letters from the U.S. to Chile is 3 weeks. Therefore, no letters can be sent during the last 3 weeks of programs, as students will not receive it! Mail will not be forwarded.

Address: Student Name, SFS Center for Climate Studies, P. Arauco 779, Puerto Natales, Chile
Community Engagement

Students live at a field station, rather than a homestay, local apartment, or university dorm. This means they will not necessarily navigate the local culture, cuisine, or language every day. However, SFS believes that meaningful research is only possible with the input of local people, so community engagement varies each term to reflect the requests of our partners.

Chores

Students are expected to take responsibility for their space. Students will help set up/clean up for meals. Specific chore responsibilities will be shared during orientation.

Off-Campus Policies

Because center locations are often unfamiliar to students, there are off-campus policies in place to keep students safe including nightly curfew, sign-out logs, and a buddy system. Specific campus policies will be shared during orientation.

Time-off

Semester students will be given occasional weekends off and a mid-semester break. Summer students will be given 1 to 2 weekends off.

Students are responsible for their own food and accommodations during non-program time. Students are not allowed to stay at the center during weekends off or during mid-semester break. See page 11 for estimated costs.

Social Drinking & Drugs

There is limited consumption or possession of alcohol allowed on campus. Students who choose to consume alcohol, need to do so in moderation and maintain respectful behavior toward others.

Possession of marijuana and cannabis-infused products, including some cannabidiol (CBD) oils, is currently illegal under U.S. federal law. SFS does not allow possession or use of any drugs or medications that are illegal for the full duration of SFS programs including free time and weekends away. Check local laws before possessing, purchasing, or using electronic cigarettes or vaping devices on program.

ITALY

CROATIA
Adjusting to new routines, relationships, and environments while away from usual support systems can be challenging. Many students also struggle with the rigorous schedule that is inherent to SFS programs. The ways students manage stress, take care of themselves, or find joy may not be available while they are abroad. There may also be decreased communication with home, limited privacy and alone time, and infrequent or modified opportunities for exercise.

SFS is partnered with Morneau Shepell to provide students with access to free, mental health and wellness support by chat, phone, and video via WIFI. Students should download My Student Support Program (My SSP) in the app store or on the My SSP website. My SSP is a supplemental resource, and students should work with their mental health provider to create a primary support plan. Students with regular counseling should verify that their mental health provider is available while they are abroad.
When it comes to sexual health and wellness during the program, please consider:

• The ramifications that a short-term relationship may have on a small residential campus or within the local community.
• Access to protection, medication for sexually transmitted infections, and emergency contraception may not be available.
• The current dialogue and understanding of consent in the U.S. does not always apply in other cultures.
• If anyone feels subjected to sexual harassment, they should walk away from the situation that makes them uncomfortable without concern for being culturally inappropriate. They can report harassment or assault to any staff member.
• In the case of a sexual assault, SFS will make every effort to support students. This includes access to medical care, the option to report to local law enforcement, and identifying additional support resources. Local laws, definitions, and legal implications often differ from those in the U.S. Different laws and limited availability of resources such as rape kits can be complicating factors in responding to a report of sexual harassment or sexual assault in foreign countries.

SFS is welcoming of all students at our centers. However, when traveling throughout the country, please be aware of the following:

• Laws and social customs may differ from one’s home country, and countries that criminalize same-sex partnerships may also use the law to criminalize gender identities or expressions.
• Cultural practices may not support freedom of expression and travelers may experience discrimination and harassment.
• Some cultural practices are based on traditional gender roles and expressions. As a result, those who do not identify as they physically present may sometimes be misgendered or misidentified.
• Some languages are gendered, resulting in a lack of terms that encompass non-binary and gender-neutral identities.
• Health services specific to transgender people may be limited or unavailable. Students may also be denied services in their affirmed gender while they are traveling abroad.
• It is not always possible to use preferred names or gender (visa paperwork, plane tickets, hotel reservations, and government sites). Gender X is not recognized worldwide, and students may need to provide binary sex information.
PREPARING FOR DEPARTURE
# Program Costs

The relationship SFS has with students’ schools will determine the billing process. Within a week of acceptance, students or their schools will be required to pay a non-refundable deposit to reserve the spot. Afterward, we will reach out to students or their schools to collect tuition payments. Up-to-date costs and refund policies can be found [here](#).

Included in SFS program costs are program advising and orientations, tuition and research fees, airport transfers, housing, meals during program time, field excursions and cultural activities, emergency evacuation and 24/7 support, and official transcript processing.

## Financial Aid

All students are encouraged to apply for SFS financial aid. Financial aid applications are reviewed on a rolling basis starting in February for summer programs, April for fall programs, and September for spring programs. Early submissions are welcomed. Students who submit an SFS financial aid application by the payment deadline will be considered for our full range of aid options. Learn more [here](#).
TRAVEL

PASSPORT

Students must have a passport in hand four months prior to departure that is valid for at least 6 months after departure from Chile.

VISA

Students will enter Chile using a tourist visa. Students’ Chilean visas will be granted upon arrival to Chile and last 90 days. Nothing needs to be done for the visa pre-arrival. Tourist visas are currently free to obtain, but visa costs are the responsibility of the student, and prices are subject to change. Staff will plan and pay for a trip to Argentina for semester students to renew semester students’ tourist visas for the remainder of the program.

Non-U.S. citizens may require a different visa process and are responsible for applying for, obtaining, and paying for their own visa valid for the duration of their stay.

If traveling before or after the program, make sure that the visa will remain valid for the entire stay.

FLIGHTS

Students are responsible for the cost of flights to and from their program. Students will receive travel instructions at least 2 months prior to the start of their program. Do not book flights before receiving these instructions.

SFS staff will meet students at the airport on the date and time specified in the airport instructions and transport them to the center. Students will receive airport instructions 1-2 weeks prior to the start of their program. If students are traveling before or after the program, they are responsible for meeting the group at the airport at the designated date and time. Additionally, SFS is not responsible for transporting or storing luggage before or after the program.

SFS is not responsible for reimbursing travel expenses for programs canceled or rescheduled due to acts of war or civil unrest, strikes, weather, quarantine/epidemics/sickness, government regulations, or failure of equipment, power, or communications.
Medical Approval Process

Students are required to complete the SFS medical approval process using our HIPPA-compliant portal to inform SFS staff of their medical and mental health needs and accommodations. The review is not meant to exclude, but to inform and allow support systems to be put in place. No student may enter the field until medical approval is granted by SFS. More information.

Vaccinations & Medications

- **Required**
  - None

- **Recommended**
  - Centers for Disease Control, travel clinics, or medical providers can provide further recommendations.

Insurance

Students are required to buy health insurance. It is the student’s responsibility to ensure that their coverage is valid in their program country(s) for the full duration of their program and covers basic medical care, including non-urgent illness or injury, laboratory tests, and pharmaceutical needs. SFS does not provide company recommendations. Keep in mind:

- Most domestic health insurance plans do not provide comprehensive coverage for out-of-country medical expenses.
- Schools may provide international health insurance or have their own insurance requirements for studying abroad.
- Most insurance companies provide coverage on a reimbursable basis. Therefore, students need to bring an emergency credit card/debit card with at least $3,000 USD to pay for medical expenses and then request reimbursement later on.

Emergency Evacuation and Repatriation Insurance

All students are automatically enrolled in an emergency evacuation and repatriation insurance plan through American International Group, Inc. (AIG) for the duration of their program only. This plan covers the cost of transportation, accommodations, and medical care associated with medically or politically necessary evacuations (e.g., life-saving support during air evacuation). It includes up to $350,000 for emergency medical evacuation, $100,000 for emergency security evacuation, and $20,000 for repatriation of remains. The coverage provided does not cover basic medical care, laboratory tests, or pharmacy needs. Students on SFS programs are required to supply their own comprehensive health insurance as outlined above.

Accommodating Disabilities

SFS works with students, schools, and physicians to determine required accommodations and whether they can be safely and reasonably maintained on program. We strive to meet students’ needs, but due to the remote nature of programs, there are varying levels of accessibility. Questions regarding physical and mental health accommodations or learning accommodations can be directed to the Office of Student Affairs and the Office of Academic Affairs respectively.
PACKING GUIDE
Packing Considerations

Luggage

SFS does not have policies regarding how much or what type of luggage students bring, so pack according to personal needs. Bring only what can be maneuvered oneself and check with all airlines for luggage restrictions and fees.

Culture & Climate

Many students bring old clothes to wear in the field and leave behind at the end of the program. Do not bring anything that cannot be damaged!

A minimum of 3-inch seams are required for all shorts worn in town.

While packing, consider the impact of the products brought to the program, both the ingredients and packaging. Plastic can be difficult for waste management in remote environments. Think about bringing a reusable tote, metal straw, cloth napkins, etc. We also highly encourage biodegradable soaps, shampoos, and conditioners.
**Required Packing**

- **Pants** Lightweight blends that dry quickly. 2+ for field work, 3+ jeans/leggings/normal pants for day-to-day, and comfy pants for around the center.
- **Waterproof rain pants**
- **Long underwear/base layers** to wear under clothes. 3+ pairs to last during excursions. Keep base layers tight-fitting to wear underneath pants/jackets.
- **T-shirts** Synthetic shirts are great for chilly nights, wet weather, and field days. Cotton shirts are nice for non-fieldwork days, but please keep them loose-fitting with no midriff exposed.
- **Long-sleeved shirts** A mix of synthetic fabrics and cotton.
- **Casual/nice clothes** for town.
- **Cozy loungewear** for around the center.
- **Insulated coat** Down or synthetic.
- **Wool sweaters or fleeces** worn near daily. Able to fit over long-sleeved layers.
- **Waterproof jacket with a hood** Water resistant is not sufficient.
- **Warm scarf, Hat, Gloves, etc.** 1 set. Past students recommend waterproof gloves.
- **Underwear** for more than one week. Past students recommend synthetic/quick-dry underwear.
- **Socks** for more than one week including 3+ pairs of light wool or synthetic (not cotton) hiking socks.
- **Pajamas** appropriate for shared spaces.
- **Sun hat and sunglasses**
- **Hiking boots** Over-the-ankle and waterproof.
- **Sneakers** or other casual shoes.
- **Rubber sandals** for showers or the center/hostel.
- **Sleeping bag** Rated for the weather during corresponding session. Sheets, a pillow, and a blanket will be provided at the center.
- **Sleeping pad** for camping trips. Can be rented in town.
- **Towels** 1 shower towel and 1 face/hand towel for trips. Quick dry towels recommended! Additional towels will be provided at the center.
- **Toiletries** Basic items can be purchased in town but bring enough for at least a week. Preferably biodegradable.
- **Masks and COVID tests** Bring enough masks to last the duration of the program and home rapid tests.
- **Record of immunizations and Health history**
- **Personal first-aid kit** including Anti-itch creams, Neosporin, Bacitracin, Tylenol, Ibuprofen, Pepto Bismol, Band-Aids, Tape, Tweezers, Nail clippers, Antihistamines, Pro-biotics, Antidiarrheals, Vitamin C, Cold medicines, Hydration salts, etc.
- **Prescriptions** Overseas prescriptions are not always accepted. Bring adequate supplies of prescription medications to last the duration of the program alongside doctors’ prescriptions to avoid customs delays. Think about inhalers, allergy medication, contacts/glasses, etc.
- **Motion sickness medication/ Dramamine/ Ginger chews**
- **Period care** Students can purchase basic period products in town. We encourage menstrual cups or environmentally friendly, biodegradable options.
- **Flash drives and/or External hard drive** At least 1 GB recommended.
- **Computer** that can open Microsoft Office documents offline and has a USB port.
- **Surge protector and Plug adaptors** Multi-outlet best for hostels.
- **Binoculars** Preferably 8 x 40 but anything in the 6 x 30 to 10 x 40 range is fine.
- **Headlamp with extra rechargeable batteries** Flashlight is not a replacement but can be brought additionally.
- **Dry bags or sturdy plastic bags** Gallon-sized Ziploc bags work well.
- **Day pack with waterproof cover** Small backpack suitable for taking gear into the field. 15-30L recommended. Ideally with chest strap, and hip straps.
- **Backpacking bag with waterproof cover** with hip and chest straps to hold 3-5 days’ worth of supplies in the field. 35-55L recommended.
- **Water bottles/bladders** at least 2-3L capacity. Recommended 1 bottle/bladder.
- **Sunscreen** 1+ bottles. Can buy locally.
- **Tupperware and Travel mugs** for packing lunches. Can buy locally.
Optional Packing

- Purse/tote bag for town.
- Small clothing repair kit
- Laundry bag with name labeled on it.
- Swimsuit for swimming in town.
- Hand warmers
- Lightweight blanket
- Rite-in-the-Rain notebooks No need to buy Rite-in-the-Rain pens as pencils will work!
- Pocketknife Checked luggage only.
- Sleeping pad Therma-rest or cell foam pad for camping. Only used 1 or 2 nights.
- Trekking poles
- Hammock
- Notebooks and Pens/Pencils Can buy locally.

- Umbrella
- Earplugs and Eye mask
- Baby wipes and Hand sanitizer Can purchase in town.
- Journal
- Games, Movies, Books, and Crafts Recommended to bring Nintendo Switch controllers.
- Snacks, Drink powders, and Dietary supplements Any favorites.
- Camera
- Voltage converter if needed for electronics.
- Headphones and/or Bluetooth speaker
- Waterproof cases for electronics and silicone packets (or some water-absorbing equivalent).
- Wristwatch Preferably water resistant.
- Extra batteries and External battery packs
